

State Selection Criteria 2009/10

- The 2010 State Track Championships will be the major event for selection into the State Teams.
- Selectors have included times for timed events – these times will play a major role in final selection. Consideration has been given in regards to the venue. Cyclists achieving these times should be competitive at National level.
- Athletes who are unavailable for State competition and other listed calendar of events; eg AIS/QAS athletes will be considered under the absolute discretion of the Committee.
- All Major Open Carnivals results will be considered in the selection process. Times attained in other competition under controlled conditions will also be considered.
- All performances must be current.
- Selectors reserve the right to waive any of the criteria upon consultation with the State Coach and Manager.
- The Selectors may use absolute discretion when selecting a State Team after taking into consideration all relevant matters including but not restricted to such things as development opportunities, Athlete health, conditions existing during competition at which times were achieved and anything affecting the athlete under consideration.
- Performances in other non-timed events will also be considered by the selection process but medalists are not automatically selected.
- Athletes are advised that final inclusion into an event is not automatic it is at the discretion of the Head Coach and Manager, taking into consideration all relevant matters, should any arise.
