Program & Results

19th Annual – Maryborough Masters Games - 2009

Welcome to the Cycling Section of the Maryborough Masters Games

To all competitors and visitors, I would like to extend to you on behalf of all members of the Fraser Coast Cycling Club a warm welcome to this year's Maryborough Masters Games. I hope your weekend of competition is successful and enjoyable in as much as the pain and suffering of competition will allow.

This year medals will be given to 1st, 2nd & 3rd placed competitors of each group in all events ie Ramp Sprints, Time Trials, Road Race and Kermese. Point winners Jersey's and Champion of Champion trophy will be presented at the FREE BBQ on Sunday afternoon.

On Saturdays road race we have a change to the road circuit for some competitors due to road works, please make sure you are aware of these changes.

The Fraser Coast Cycling Club is also hosting the 2009 Para-cycling State Road Championships in conjunction with this year Maryborough Masters Cycling Event. Riders in disability cycling will not be competition in the Masters Games but may be riding in your event, please make these riders feel welcome and respect each others abilities.

While visiting our city and the Fraser Coast, please take time to take in some of our regions attractions, such as the Wharf Street precinct with its heritage buildings and museums and the nearby parks and gardens.

The Masters Games weekend is prominent on our clubs road racing calendar so to all those volunteers who have given their time to make this event the success it is, to you all I say Thank you.

To all competitors and visitors great competition and good fun.

Keith Soper
President
Fraser Coast Cycling Inc.

19th Annual – Maryborough Masters Games - 2009

**Fraser Coast Cycling Inc
Wish to thank the following valued Sponsors...**
